ANIMAL HEALTH

DAIRY HERD HEALTH | BEEF HERD HEALTH | CALF CARE | HOOF CARE | PRESCRIPTIONS

"I did some comparing & Leedstone offers a better value on prescriptions. I actually referred a few people over there!"

- Curt, ND

TERRITORY MANAGERS

Animal Health Specialists in your areas (IA, MI, MN, ND, SD, WI & parts of IL), offering you:

- Current deals, promotions & offers
- Comparing products; knowing your options
- Easing your shopping process; inventory when you need it, shipped or delivered to your door
- Trusted business relationships; always here for you

Customer Care Hours: M-F, 7 a.m.-6 p.m.
Sat, 9 a.m.-3 p.m.

IN-HOUSE PHARMACY

More than 4,000 veterinarians fill their prescriptions with us. Trust your veterinarian to prescribe the right meds; trust us to fill them at the best possible prices & quickly get you the medications your herd needs!

Phone: 800.996.3303, Ext. 1129 Fax: 877.223.3783

FARM DELIVERY

CHEMICALS | ANIMAL HEALTH SUPPLIES | KNOWLEDGEABLE SERVICE

"We really appreciate the monthly Leedstone route stops! They make sure we have adequate supplies for our robots, our cows & our staff!"

- Lisa, MN

ROUTE SPECIALISTS

Delivery to your farms when you need products:

- Dairy industry & product knowledge
- Chemicals—professional handling; producers ask for Leedstone branded solutions
- Mini retail store (OTC animal health, delivery-approved prescriptions, detergents & more)
- General cleaning - cost effective; less chemical use
- Milking equipment assessment & preventative maintenance

All delivered right to your door!

CONVENTIONAL/PARLOR EFFICIENCY

OPERATIONAL OPTIMIZATION | MILK QUALITY & SPEED | SOMATIC CELL COUNT ANALYSIS

"By just making a few simple changes, we cut our cell count in half! We're milking faster, have a much better milk-out."

- Mark, MN

DAIRY PERFORMANCE ANALYSTS

Professional assessments for maximized productivity & efficiency:

- Comprehensive analysis and reporting of current operations
- Assessing milking procedures & maintenance
- Tips for increasing milk quality & production

AUTOMATED EQUIPMENT

ROBOTICS/AUTOMATION | MILKING | FEEDING | REFRIGERATION | BARN CLEANING | COW COMFORT

"Leedstone has a wide variety of technicians to support us as customers. When we have an issue, they always are quick to help us find a solution."

- Louise, MN

PRODUCT SALES & SERVICE SPECIALISTS

Supporting you throughout your transition & beyond:

- Planning, scheduling, installation
- Competitive pricing; maximized efficiencies
- Retrofit or new construction from beginning to end
- Refrigeration installation & service (bulk tanks, walk-in coolers & freezers)
- Ventilation, lighting, etc.
- Welding & electrical services

ALL FROM ONE COMPANY

Whatever you need for your dairy, we can help
you meet your goals for herd health & productivity.

Keeping families on the farm.
